Cut 432's Citrus Seafood Bouillabaisse

Dining Meat lovers can enjoy A5 Kobe beef and prime steaks at **Cut 432** in Delray Beach. This sexy and sophisticated spot is the work of Brian Albe and Brandon Belluscio of The Modern Restaurant Group, which also brings you Vertical 114 in Boca Raton. The menu also features plenty of seafood prepared in a wood-burning oven. Chef Anthony Pizzo's contemporary cooking emphasizes "innovation over complication." ... **Forte de Asprinio** has opened in downtown West Palm Beach. It's an alliance of the first season Bravo *Top Chef* contestant Stephen Asprinio with Bob Cuillo, owner of the Cuillo Center for the Arts in West Palm Beach, and Tuscany-based wineries Livernano and Casalvento. The contemporary Italian menu features the bold flavors and nouvelle cooking of chef d'cucina Mark Liberman, who was chef at San Francisco's La Folie.
